

Partner Training

Please review the following training videos, webinars, and support articles to familiarize yourself with the basic features and functions of CosmoLex. It is required that all CosmoLex partners view each video and read the articles in its entirety and certify completion within the [Partner Checklist Form](#).

Training Videos & Webinars

- [CosmoLex Product Overview](#)
 - What is CosmoLex & what sets us apart?

- [Advanced Accounting Functionality in CosmoLex](#) (37:18)

- Getting Started:
 - [Canada-Specific](#)
 - [Adding Your First Matter](#)
 - [Billing and Payments](#)
 - [Trust Accounting](#)
 - [Office Expenses \(Business Accounting\)](#)
 - [Events and Tasks](#)

- [Managing Your Users & Permissions](#) (optional)
 - One of the first steps in setting up your clients' accounts.
